2025 RYDER CUP

TEAM USA VS TEAM EUROPE

THE BASICS

When
September 26-28

Where
Bethpage Black Course
Farmingdale, New York

Competition
Match Play, with 28 points available over three days.

Field
24 players – 12 representing USA
– 12 representing Europe

Format

Foursomes matches involve two-man teams playing one ball per hole, with teammates alternating shots until each hole is complete. Players also alternate tee shots, with one leading off on odd-numbered holes and the other teeing off on even-numbered holes. The team with the low score on each hole wins the hole. If their scores are tied, the hole is halved.

Fourballs matches involve each member of a two-man team playing his own ball, so four balls are in play on every hole. Each team counts the lowest of its two scores on each hole, and the team whose player has the lowest score wins the hole. If the low scores are tied, the hole is halved.

Singles matches feature one player from each team. The player with the lower score on each hole wins that hole. If their scores are tied, the hole is halved.

History

The Ryder Cup was first held in 1927. This year's event will be the 45th edition. The United States has the overall edge with a 27-15-2 record, although Europe has a 12-9-1 record since players from Continental Europe became eligible to participate.

Schedule

DAY 1 (SEPT. 26)
8 matches – 4 Foursomes, 4 Fourballs – involving two-man partnerships representing each team.

DAY 2 (SEPT. 27)
8 matches – 4 Foursomes, 4 Fourballs – involving two-man partnerships representing each team.

DAY 3 (SEPT. 28)
12 matches of Singles with players going head-to-head.

Points

Each match is worth one point. There are no extra holes in Ryder Cup matches. Should the two sides be tied after 18 holes, each side earns a half-point.

Winning Total

To win the Ryder Cup outright, a team must earn 14.5 of the 28 points available. In the case of a 14-14 tie, Europe would retain the Ryder Cup as the reigning title holders.

Three LIV Golf players will be among the 24 competing at Bethpage Black. Legion XIII Captain Jon Rahm and his teammate Tyrrell Hatton are on the 12-man European roster, while Crushers GC Captain Bryson DeChambeau is representing the United States.
